

VGC Residence: Policies and Regulations

Policies (pages 1-2):

1. Registration

1. In order to book a room in VGC's Residence, students must:
 - Pay the non-refundable registration fee and the *guarantee booking fee*.
 - Send VGC a signed copy of the Accommodation Contract which states the student has read and understood this document.
2. What is the guarantee booking fee?
 - It is the cost of 2 weeks of rent. The cost of this fee will depend on what room type the student is booking.
 - It is non-refundable if a student cancels their residence within 1 month of their arrival.
 - For students who do not cancel, the guarantee booking fee will be applied toward the balance of rent.
3. Outstanding Balance:
 - Any remaining fees (ie: the remaining amount of rent and the cleaning fee) must be paid before 1 month (4 weeks) of the residence start date. If payment is not received, the student will lose their booking and will not be refunded the registration fee or the guarantee booking fee.

2. Cancellation

Before arrival:

- If a student cancels 1 month (4 weeks) before their arrival, all residence fees will be refunded except for the registration fee.
- If a student cancels within 1 month (4 weeks) of their arrival, all residence fees will be refunded except for the registration fee and the guarantee booking fee.

After arrival:

- If a student wants to cancel after they have arrived, they must notify VGC 1 month (4 weeks) ahead of time. If they provide proper notice, they will be refunded the guarantee booking fee and, if applicable, the remaining rent for the remaining paid months.
- If a student cancels within 1 month (4 weeks) of their new end date, they will not be refunded the guarantee booking fee. If applicable, the student will be refunded the rent for the remaining paid months.

3. Postponing

- If a student has to postpone their start date due to visa and/or personal reasons, VGC cannot guarantee that a room will be available for their newly requested start date.
- If there is no room availability, students will have the option to reserve their stay at VGC's residence at a later date and have the option to stay in VGC's homestay until then.
- If there is no room availability after the student postpones, and the student does not wish to enter at a later date/move into homestay, they must follow the *Before Arrival* rules in the cancellation policy above.

Postponing students: homestay to residence

- If homestay is available for the student, VGC will register the student with homestay (homestay registration fee will not be charged) and will transfer the student to the residence at the earliest availability and at no additional cost (accommodation transfer fee will not be charged).
- Students should refer to the homestay prices as well as the policies and guidelines for more information regarding this accommodation option.

4. Extensions

- VGC does its best to accommodate all requests; however extensions come on a first pay first serve basis. Availability will depend on who has already paid for a room.
- If a student is considering an extension, they should ask VGC for its residence availability ahead of time.
- If another room is available, students may transfer to that room for an additional charge.
- If no rooms are available, students will be asked to move out on their initial end date.

5. Summer Transition

- Some private rooms turn into shared rooms from July until the end of August.
- Students in these rooms will be paired up with another VGC student of the same sex during these dates.
- Rent will be lowered to the price of shared room during the summer time. After summer finishes, the shared rooms will return to private rooms and the fees will return to their original rate.

6. Eviction

- Once a student receives a second warning, they will be asked to leave the residence immediately after receiving the warning.
- Students being evicted from being issued a second warning will not be refunded the rent for that month (following the cancellation policy).
- The student will be refunded for the months following if applicable. This does not include situations stated in the rules and regulations (#2-3).
- The guarantee booking fee will not be refunded.
