

High School Preparation Program

Program Description

This program is for students planning to attend a Canadian high school and wanting to get a head start on their studies or for students who want to gain familiarity with the English language associated with their studies in their home country. Key concepts and English vocabulary for a number of academic disciplines (as outlined in the course structure below) will be covered and students will become familiar with the Canadian classroom environment, teaching style, and methods of assessment.

Admission Requirements

13-18 years old

Program Duration and Structure

This program takes 6 weeks to complete with 21 hours of study per week. Students can choose to study from 2-6 weeks.

The High School Preparation Program uses material from a variety of sources, all materials will be provided by the school.

Homework Expectations

Minimum five hours per week. To get the most from this course, additional review and self-study is recommended. For every block of classes 30 - 45 minutes should be spent reviewing the materials.

Learning Objectives:

By the end of the course, students will:

- Demonstrate an understanding of communications in a Canadian context.
- Demonstrate an understanding of the skills required to communicate effectively in English.
- Demonstrate an understanding of key concepts and vocabulary for a number of academic disciplines
- Demonstrate an ability to use English to read, write and talk about a number of academic disciplines
- Have an understanding of the typical Canadian classroom environment, teaching style and assessments.

Attendance Expectations

Students are expected to attend 100% of their classes.

Assessment

Weekly quizzes, a mid-term and a final exam.
