

## 2 weeks ISOLATION with a VGC Family

Isolation  
Surcharge  
**+\$200**

**ADD A \$200 SURCHARGE  
for 2 weeks of Homestay  
during your isolation period!**

- In order to isolate with a VGC family, students must book a minimum of 4 weeks of homestay
- Students must book Homestay 3 meals/week for the isolation period.
- Students have access to online classes during their isolation period. Talk to your VGC representative for more information!

Isolation Add-On: SIM Card - \$35 (2GB for 30 days)

### HOMESTAY

- Homestay bookings for the isolation period are provisional until VGC receives flight details, payment and visa confirmation. The sooner students officially book, the more likely it is that VGC will be able to guarantee a homestay family for the student.
- Provisional prebookings must be made no later than 4 weeks in advance of the arrival date and the official booking (payment, FD, visa confirmation) must be done no later than 2 weeks prior to arrival otherwise VGC may not be able to secure a family and it is possible the booking will be postponed or cancelled.
- If a student wants another type of accommodation, VGC can

support the student with hotel options. Additional costs will apply.

- VGC will charge the placement fee and 2 weeks homestay if the student cancels within 2 weeks of arrival. This may be waived if the student is unable to fly or enter Canada due to circumstances beyond their control.
- During the quarantine, students are not allowed to move to another homestay family.
- Due to the ongoing changes because of COVID-19 and the fact VGC is working with third parties, prices and availability may be affected.
- These booking terms may vary depending on availability and current conditions in Vancouver.

### AIRPORT PICK-UP

- For cancellation and refund requests, students must give written notice 2 business days before the arrival date in order to receive a full refund.
- If a student misses a flight or if the flight is delayed, it is their responsibility to contact the emergency number. If the student fails to do so, they will be charged for another airport pick-up.

### SIM CARD

- VGC must receive payment, flight details and visa confirmation 2 weeks prior to arrival in order to properly register for a Sim Card and have it delivered to the student's homestay on time.
- It is non-refundable if cancelled within 2 weeks of arrival.
- This service only applies to phones that are unlocked. If your phone needs to be unlocked, additional costs will apply.
