

HOW TO GET YOUR BC VACCINE CARD

on Your Smartphone, Tablet or Paper Copy

Starting **September 13th**, individuals in British Columbia will be required to show proof of at least their first vaccine in order to access events, services and businesses. By **October 24th** individuals must show proof that they are double vaccinated.

Please follow the instructions below to register for your Vaccine Card:

1 Go to <https://www2.gov.bc.ca/vaccinecard.html> and select "Get my BC Vaccine Card". This webpage also provides more details about where you will be required to show your Vaccine Card.

You will need:

- Personal Health Number
- Date of birth
- Date of Vaccination (dose 1 or dose 2)

Note: If you don't have or don't remember your PHN (Personal Health Number) but you got vaccinated in Canada please call 1-833-838-2323 to ask for it (They have translators available)

Step 1: Log-in securely

To log-in securely, you need to provide your:

- Date of birth
- Personal Health Number (PHN)
- Date you got dose 1 or dose 2

If you already have a Health Gateway account, log-in with your BC Services Card App.

Step 2: Save or print

After you've securely logged in, you have 2 options:

- Save a digital copy to your phone or tablet. We recommend taking a screenshot, then saving to your photo album or downloads folder
- Take a screenshot and then print it out

You can save or print a card for yourself or someone else, like a youth or parent.

Step 3: Show your card

Have your card ready when entering a business.

They'll look at your vaccine card and also check your government ID.

Enjoy events, businesses and services in B.C.

Feel safe knowing that everyone around you is vaccinated.

You may have to wait between 5-45 minutes in order to submit your information, please be patient! From September 13 to 26, you can use a paper copy of your immunization record. You have until September 27 to get your BC Vaccine Card.

2 After waiting, you should see the screen below. Enter your details here.

Access Your BC Vaccine Card

To access your BC Vaccine Card, please provide:

Personal Health Number

Date of Birth
Year: Month: Day:

Date of Vaccine (Dose 1 or Dose 2)
Year: Month: Day:

[Privacy Statement](#)

OR

Already a Health Gateway user?

3 A Vaccination code with your name and vaccination date will appear. This will look like the picture below.

Take a screenshot of this code and keep it on your phone. This will be the vaccination proof you will need to show in most places.
