## ABOUT VGC INTERNATIONAL COLLEGE

VGC is an award-winning English language and business school in downtown Vancouver. Founded in 2003, VGC has built a strong academic reputation by offering high-quality, well-designed English courses and international business programs taught by exceptional teachers to students from over 85 nations.

VGC has three permanent campus locations in Vancouver and a dedicated campus for the Summer Camp. All feature spacious student lounges, fast Internet access and are close to public transportation, attractions and cafés.

## LEARN ENGLISH IN VANCOUVER THIS SUMMER!

**Immersive English camps for  
youth aged 9-17, adults 30+ and families**

VGC's Summer Camp program is one of Vancouver's most exciting English camps, providing young students and families from all over the world a Canadian learning adventure of a lifetime! This program allows students to improve and sharpen their English language skills through a structured curriculum that balances high-quality academics with fun-filled activities.

Students will spend their time at a dedicated Canadian high school campus where they will be fully immersed in a learning-focused environment, taught by highly qualified teachers.

In-class lessons are supplemented with daily opportunities to practice their new skills outside the classroom through practical tasks or in real-life social situations. All these activities ensure that students continue to learn and practice English, while having fun, making friends and experiencing Canadian life and culture!

## DIVERSE STUDENT MIX

The VGC Summer Camp program is designed for Juniors (ages 9-12), Teens (ages 13-17) and Adults (ages 30+). Our students come from around the world and we have an English Only Policy to ensure a welcoming and inclusive environment.

## SAFE AND COMFORTABLE ACCOMMODATIONS

For a fully immersive experience, students will stay with English-speaking host families. All our homestay families are carefully selected, and provide a safe and warm home away from home. They also come from diverse backgrounds that reflect Vancouver's multicultural population. Students in our homestay program will receive three meals per day and live close to public transportation.

## DEDICATED AND EXPERIENCED STAFF

We have a multilingual team focused on running the summer program. Our staff are highly-trained and ready to help with anything that might come up during the student's time here in Vancouver. They have extensive experience working with young students and ensure that they are in a safe and welcoming environment. We also provide a 24-hour emergency hotline for any emergency situation.
