Statement of Purpose and Ethics Guide

VGC International College's mission is to supply the best learning environment with the highest academic standards, support student learning with excellent customer service, and always do business with integrity and honesty.

At VGC we recognize the importance of quality education as a means to advance in life. We do not believe that education should be for the few but a means for the many to improve themselves and change their situation.

As an organization that works globally, we are committed to giving the best services with quality, integrity, and honesty. As an international business, we recognize that we have a responsibility to our students and the countries from which they come. We recognize that people are born into situations but do not have to accept them. We believe people can only be empowered and change their living situation through education.

VGC Educate for Change

VGC is deeply committed towards its *Educate or Change* initiative that supports education in developing countries. We've partnered with NGOs from Brazil, Panama and Thailand, pledging a dollar a day for every Brazilian, Panamanian and Thai student who attends our school. The collected funds are then used to purchase school supplies and other goods to assist low income students interested in improving themselves through education.

It is your responsibility to ensure you have the legal status to study and work in Canada. VGC is not responsible for ensuring visa processing, extensions, or new visa applications for students. All students are responsible for overseeing their own visa processes.

Please note that for students who have a work visa, you are required to stop working as soon as you graduate from VGC.

VGC cannot legally advise students on IRCC processes and regulations. It is necessary for students to refer to the IRCC website (<https://www.canada.ca/en/immigration-refugees-citizenship.html>) or speak with a registered immigration consultant.

Social Insurance Number (SIN)

In order to work in Canada, it is mandatory to apply for a SIN number. Diploma and Diploma with Co-Op students who have the right Study Permit and Work Permit conditions will be able to apply.

For information on how to apply, go to the IRCC website and follow the instructions. You can apply in person at a Service Canada Office or online: <https://www.canada.ca/en/employment-social-development/services/sin/apply.html>

Adding Co-Op to Your Program

You may be able to add Co-Op to your program up to 2 months into the study portion of the program. This will depend on factors such as your visa status, IRCC processing time and your ability to start the Co-Op in time. Please reach out to Student Services for more information.

The Co-Op must be related to the study portion of the program, **must be located in the lower mainland, cannot be a remote position** and receive written authorization from VGC in order to begin the Co-Op placement.

Requesting a Vacation

Due to the nature of the programs, vacations are not allowed in VGC Business Programs or Co-Op.

Any concerns or issues can be reported to the head of the Health and Safety Committee.

Students and staff are encouraged to be familiar with the following procedures on how to deal with:

Fires

- If you notice a fire, please pull the fire alarm immediately
- In case of a fire alarm, you must follow their teacher's instructions
- If you're not in class at the time of the alarm, please evacuate the building and proceed to the designated safe area

Earthquake

- During an earthquake, follow the "drop and cover" procedure and stay away from windows and items that may fall from the walls or ceiling

Every VGC student, no matter their age, race, sexual orientation, gender role, gender expression or gender identity, has the right to freedom from sexual violence and misconduct. They also have the right to a safe and secure learning and living environment. VGC will not tolerate any form of sexual violence or misconduct under any circumstances.

This applies to physical interaction, interpersonal and electronic communications such as handwritten notes, e-mails, text messages, videos or photographs. This policy also applies to all of VGC's buildings, its campuses and accommodations including homestays and Student Residences.

What is Sexual Misconduct?

Sexual misconduct is any unwanted act or behaviour – physical, verbal, or psychological – carried out through sexual means or by targeting sexuality. It can include performing, attempting, or the threat to commit the following:

- sexual assaults
- sexual exploitation
- sexual harassment

2. Victims, witnesses or those who have knowledge of incidents of sexual misconduct are encouraged to report the information as soon as possible
3. Those in authority are committed to immediate action
4. VGC is committed to doing our best to respect the confidentiality of all parties involved and will remain consistent with the Freedom of Information Act regarding sharing of information
5. VGC is committed to respecting the rights of those who report an incident to make their own decisions about accessing support services, making an official report, or pursuing external processes such as criminal or civil action
6. VGC will not tolerate any retaliation against anyone involved in a report or an investigation

- Whom to Report or Make a Complaint to

1. If a student feels they are in immediate danger or fear for their safety, they should call 9-1-1 to report an incident of sexual violence or misconduct

6. A designated VGC representative can liaise and accompany the victim to the local sexual assault centre, police, and/or other justice system partners as appropriate

8. Depending on the situation and who is involved, VGC will follow the *Respectful and Fair Treatment of Students Procedure*

VGC does not have a mandate to conduct criminal investigations. However, we have the responsibility to provide our students with a safe environment regardless of whether a particular incident results in a criminal investigation and/or charges.

o Reporting Options

1. Disclosure only

A victim may wish to tell someone about the incident in order to seek support, but may not want to make a report to the police.

2. Police

A victim may wish to make a formal report of sexual assault or other incident of sexual misconduct to the police.

3. Reporting to Police via Community Victim Agency

A victim may wish to make an anonymous report through a community-based victim support worker. Reports are then sent to the police by an intermediary agency to provide detailed information about the incident and the alleged perpetrator, but will not include the name or contact information of the victim.

4. Anonymous Reporting to the Institution via Victim/Survivor Support Service

An anonymous report made through a victim support worker would result in reports being sent to the contact point of the institution by an intermediary agency to provide detailed information about the incident and the alleged perpetrator, but will not include the name or contact information of the victim.

As noted above, victims of sexual misconduct may choose one or more of the criminal and/or non-criminal reporting options.
